EDUCATION

BIKANER TECHNICAL UNIVERSITY , BIKANER

Bachelor of Technology in Computer Science & Engineering
2022 - 2026 | 3rd Year, 6th Semester | CGPA: 7.0

PROFESSIONAL SUMMARY

I'm a Computer Science student with hands-on experience in frontend web development. Proficient in **JavaScript, TypeScript, React, Mongodb, Next.js, Git , Github, Figma Tailwind CSS**, and **Node.js**, I'm passionate about creating clean, user-friendly web applications. While I have a strong foundation in **frontend development**, I'm actively **learning backend technologies**. I'm eager to contribute my skills and continue growing in a dynamic development environment through an internship opportunity.

PROJECTS

1. COOKARO

Transform your available ingredients into delicious meals. Our AI chatbot creates personalized recipes just for you.

Experience the future of cooking with our intelligent recipe generation system [Project-Link](#)

2. PixelPour

At PixelPour, we believe that sustainable living should be both beautiful and functional. Our mission is to create products that inspire people to reduce single-use plastic waste without sacrificing style or convenience.
